2022 PRESIDENT'S LOG

OCTOBER

- ~The WIEA had the Board meeting in Lac Du Flambeau on October 21st. A sincere appreciation to the Northeast delegates for scheduling, the Zoom connection, meal, opening by the Tribal President and honor songs by the young singers
- ~Also, during the meeting a special recognition was conducted as Virginia Nuske and Barbara Munson were granted the Emeritus Membership for their years of dedication and devotion to WIEA
- ~After the meeting, various administrative issues are completed between myself and the other WIEA Officers
- ~I attend the various Zoom gatherings on the 2023 WIEA Conference with the other Planning Committee members. Once the Theme and arrangement were completed with the Hotel, notices have been posted on the event. This includes a link to the WIEA Conference web page, which includes, Workshop sessions proposed, Award categories, and other relevant information. As time progresses, additional links will be updated
- ~Concentration is being directed towards the next WIEA Board meeting on November 18th at Stockbridge-Munsee. A draft Agenda will be developed and will solicit potential Agenda items
- ~As a member of the Great Lakes Native American Elders Association (GLNAEA), the next meeting will be held on December 7-8th in Lac Du Flambeau. The plans are to have a WIEA Informational table to share items with the Elders

2022 PRESIDENT'S LOG

NOVEMBER~Another area of importance is the Membership of WIEA, based on those attending the recent WIEA Conference that was held in May at the Indian Community School in Milwaukee. It is planned to have some initial information on the Membership, including those in the Elder and other categories.

The following, in part, is an e-mail I sent regarding WIEA membership:

~ I know I've mentioned this a few times, about some things are like trying to put pieces of the puzzle together. Now, others might have the total picture on this, and if so, please share.

But, the puzzle that I am working on relates to WIEA membership. I was able to obtain information from Celeste on the listing of people who "registered" at the recent WIEA Conference at the Indian School. This document has a total of 133 individuals listed.

Thanks for any assistance and I am almost ready to try to find some of these answers from a Ouija board! Maybe at our Stockbridge-Munsee gathering, we could go into Executive Session and have a Ouija board session on Membership! Hehehehehe

~With David O'Connor there will be a virtual meeting between WIEA board leadership, and a colleague (Kevyn Radcliffe) of mine here at DPI. Note, my colleague Kevyn Radcliffe, DPI Legislative Liaison would like an opportunity to introduce herself and also discuss future opportunities to collaborate and work together

~Requested assistance from the LCO University or College of the Menominee Nation to help with obtaining CEU's for those attending the upcoming WIEA Conference in April 2023. LCO University indicated they will assist with this effort

~Participated in the Vision and Dreams Youth Conference sponsored by the Stockbridge-Munsee Community, Notah Begay Foundation, Americorps Seniors and Foster Grand Parent programs with Great Lakes Inter-Tribal Council on November 3-4th. While I was asked as an "Elder" to participate, I seen this as a manner in which to promote WIEA.

~ Another phase that I will be going through, is working with the LCO University and the Red Cliff/ Bad River Recruitment and Engagement Coordinator. I will start this on November 14th on a part-time basis. I will be based out of the Cabin in Red Cliff.
